

Fire door packer Safety Data Sheet

UK Patent Application No 1702260.9

Data Sheet: (sheet 1) 27.03.2017

1: Company identification

Manufacturer: RAM EXTRUSION LIMITED
Date of issue: 27/03/2017

2: Composition/information on ingredients

A compound of PVC, Graphite, Chalk, Wood Flour and other minor additives

3: Potential hazards identification

N/A

4: First aid measures

N/A

5: Fire fighting measures

Remove uninvolved people from the vicinity of the fire.

Extinguishing media

Dry powder, water mist, foam, carbon dioxide.

Protective equipment

In major fire situations, toxic and corrosive vapours will be evolved and self-contained breathing apparatus and acid resistant protective clothing should be worn.

6: Accidental release measures

N/A

7. Handling and storage

Store in a dry, ambient temperature and unstressed conditions. Do not ingest

8. Exposure controls/personal protection

No personal protection is required.

9. Physical and chemical properties

Form: solid article
Colour: various
Odour: none
Solubility (water): insoluble
Decomposition: N/A
Temperature: N/A

10. Stability and reactivity

Stable material.

Avoid overheating and contact with oxidizing agents.

11. Toxicological information

N/A

12. Ecological information

This product is considered to be ecologically benign, but is not readily decomposed by weathering or by microorganisms.

13. Disposal considerations

Disposal should be in accordance with local, state or national legislation.

Bury in an authorized landfill site

14. Transport information

Classification for conveyance not required.

15. Regulatory information

As this product is an article, no special classification or labelling is required according to the Approved Supply List produced for the purposes of CHIPS regulations 1995.

16. Legislation and other information

N/A

This safety data sheet was prepared in accordance with the CHIP regulations as implementing (as respects Great Britain) directive 91/155/EEC.

This material grade complies with the EU Regulation 2006/1907/EC and does not contain any substances classed as a Substance of Very High Concern (SVHC) and listed on the Candidate list of the REACH Regulation at a concentration greater than 0.1%.

Ram Extrusion Limited, Unit 203 Pointon Way, Stonebridge Cross, Droitwich WR9 0LW.
